Parking: There are a limited number of parking spaces available at the Club. On-street parking is also available nearby.

Accessibility and Stationary Positions: The Carlton Bridge Centre is fully accessible. Please tell us if you need a stationary position. We aim to meet all requests, but cannot *guarantee* them.

Handicapping: The Congress Teams is a Swiss teams event with additional Silver and Bronze prizes; the Congress Pairs is a handicap event. This allows players of differing rankings and experience to compete on an equitable basis. Our aim is that the handicap system does not give any player an undue advantage or disadvantage.

The Congress Director **requires** the SBU ranking of **every** player—or number of years playing experience if you don't have a ranking—to determine the handicaps. Players with no SBU ranking, and those who do not provide the information requested, will be awarded an appropriate handicap at the sole discretion of the Congress Director.

Capacity: Entry is limited to 30 teams and 76 pairs, so we advise you to send us your entry form and fee as early as possible.

Dietary Requirements: A good selection of vegetarian food will be available, but if any member of your group who books supper has any other specific dietary requirements, **please enclose a clear note** describing these requirements, and which player(s) they refer to.
