

## Two-Winner Pairs Tournament Quick Reference for TDs

Use this chart to help you set up a normal two-winners Club pairs tournament quickly and easily. We hope you find it useful.

The chart advises board set-up and **ScoreBridge** movement name, any relays (and where to place them), special EW pairsmovement instructions, and suggested prize monies.

Mitchell movements for even numbers of tables (rounded up) typically use a share and relay unless sets are two boards, when a skip is used to avoid having to share boards.
